Before you begin...

Things to know before you eFile:

1. Read the **eFile Guidelines** before you eFile; learn how to access these on page 12 of this manual.
2. Use Clerk of Court (Maricopa County) to eFile **subsequent filings** in **FC, FN, DR, D** (Family), and **CR** (Criminal) case types; **initiating case documents must be filed in paper**.
3. You must register to use the Clerk of Court **eFiling Online** website; registration process is detailed in this manual.
4. Attorneys and legal support staff should create their own (separate) user profile through the eFile registration process.
5. Only one "Main" document may be filed per filing transaction; main document receives file stamp if filing is accepted (which means it is part of the official court record).
6. Supporting documents (exhibits, proposed order) may be filed in addition to the main document (but not as part of the main document); thus, as separate uploaded documents. In other words, upload the motion as the main document and then, upload the proposed order or exhibit as a supporting document within a filing transaction..
7. Submit (upload) proposed orders in **WORD**.
8. To view documents filed in your case, you must use a separate website; the Clerk's Electronic Court Record Online (**ECR Online**). https://ecr.clerkofcourt.maricopa.gov/login.aspx
